

# Kevin Castillo

AI Developer, Data Scientist

## About me

I am passionate about solving complex problems and creating innovative solutions through programming. I have a strong background in algorithms, data, machine learning and artificial intelligence.

## Personal Info

Ecuadorian, 22 y/o  
Quito, Quitumbe  
+593 988671223

## Areas of Expertise

AI & ML engineering • Data Science • Web Development  
• Desktop Applications  
• Algorithms

## Interests

Apply my knowledge in a real-world environment  
Improve my soft skills  
Develop innovative applications

## Technical Interests

R / Python / Linux  
HTML5 / CSS / JavaScript  
C# / C++ / Java
