Kevin **Castillo**

AI & ML Engineer, Data Scientist

About me

I am passionate about solving complex problems and creating innovative solutions through programming. I have a strong background in algorithms, data, machine learning and artificial intelligence.

Personal Info

Ecuadorian, 22 y/o
Quito, Quitumbe
+593 988671223

Areas of Expertise

AI & ML engineering · Data Science · Web Development · Desktop Applications · Algorithms

Interests

Apply my knowledge in a real-world environment
Improve my soft skills
Develop innovative applications

Technical Interests

R / Python / Linux
HTML5 / CSS / JavaScript
C# / C++ / Java

UNIVERSITY · Quito, Ecuador
University studies up to the start of the first semester in Software Development Engineering. Left due to force majeure.

2021–2025 — **Universidad Politécnica Salesiana**
UNIVERSITY · Quito, Ecuador
Completion of university studies in Computer Science Engineering.

DEGREES

2019 **High School Diploma – Science**
UEMFM · Quito, Ecuador

2025 **Computer Science Engineer**
UPS · Quito, Ecuador

PROGRAMMING

- C#, C++
- Python, R
- JavaScript
- Java
- SQL
- Haskell

CURRICULUM

Mar - Sep (2024) — **Data and Analytics Intern**
BANCO PICHINCHA · Quito, Ecuador
Insurance process automation and cloud migration for banking, performed at the Data and Analytics CoE.

Apr - Present — **AI Developer**
QIKSTARTS AI · Quito, Ecuador
Development of an AI platform specialized in loyalty and sales.

Aug - Present — **Jr Developer**
INNOVADEVS · Quito, Ecuador
Software maintenance and development.

CERTIFICATIONS

2023   UPS Datathon Winner
2024   Stratio Generative AI Data Fabric: Basics, Business, Operations Certifications
2025   Complete Haskell Course: From Zero to Expert Certificate
           Google Advanced Data Analytics Professional Certificate
           Microsoft Python Development Professional Certificate
           IBM Data Science Professional Certificate
           Microsoft AI & ML Engineering Professional Certificate
           IBM AI Engineering Professional Certificate
           IBM RAG and Agentic AI Professional Certificate
